CUREwards Points Transfer Authorization Form

By signing this form, all current point balances in the donor account(s) will be transferred to the recipient account(s). In addition, all points earned from this day forward on the donor account(s) will be added to the point balance of the recipient account(s).

Points may be combined from multiple GTE Financial debit and credit cards. If transferring points between debit cards and credit cards, the point balance will reside with the credit card. PLEASE NOTE: Once points are transferred, they cannot be moved back to the original card.
