

# Business Solutions

---

Since GTE's start as an employee-owned credit union for General Telephone & Electric, we have been creating active business solutions for West Central Florida. At GTE, we are committed to designing you the best business solutions through savings, checking, and lending products that help build the foundation for you (and your employees) to operate with confidence.

## Our commitment to you and your business

At GTE Financial, we are more than just a financial institution. We are a community of people who care about each other and our local economy. As a not-for-profit financial cooperative local to Tampa Bay, we are committed to supporting businesses and watching them flourish. That means you can trust us to be the financial partner that puts your interest first. We understand that every business is unique, that is why we offer a range of services that suit your size and needs. Our experienced and friendly team of professionals will work with you to understand your business before they help you choose the best products and services for your organization. Whether you need checking, loans, insurance, we have everything you need to keep your business running smoothly. When you partner with GTE, you get more than great service: you gain a trusted ally who puts your interests first. Experience the GTE difference today.
