

Youth Accounts

Kickstart good habits, and plan for the future with a GTE Youth Account. Getting started is easy!

Youth accounts

Early Saver account

Teach your child the value of saving money! Our Early Saver account is a great way for kids to begin learning about money with their very own savings.

- > Accounts are for youth under 17
- > Earns dividends on balances up to \$500*
- > No monthly fee or balance requirement
- > Only \$5 to open

Share Certificates

Invest in your child's future with a Share Certificate to help foster long-term savings goals.

- > Earns more than a savings account
- > Open with just \$500*

Go Student checking account

When your child is ready to save and spend, open the perfect beginner checking account to start managing money safely and securely together.

- > This is a free account with no monthly usage or requirement fees
- > Comes with a debit card, access to virtual banking, and 30,000+ free ATMs nationwide
 - > 1 waived foreign ATM fee per month**
 - > 1 waived NSF fee per month**
- > Link a parent checking account for monitoring and alerts as well as easy transfers
- > Take advantage of Cash Academy and our Student Perks program for more benefits

Financial education

All youth accounts come with free financial literacy tools and perks for the whole family.

- > The Money Mammals Club provides age-tailored videos and games for getting started
- > Parents, teens, and young adults can access online tools for savings, building credit, investments and more
- > Cash Academy
