

## FINANCIAL SUMMARY

In order to earn the confidence and trust our members expect from GTE Financial, our financial information will be made publicly available on our web site for review.

GTE Financial is supervised by the National Credit Union Administration (NCUA), an independent federal agency that charters and oversees federally insured credit unions. The NCUA requires credit unions to complete a quarterly regulatory report, the 5300 Call Report. The data from this report is used to assess a credit union's financial health and compare it to credit union peers.

Brian Best - President and Chief Executive Officer (CEO) and Brad Baker - Executive Vice President of Finance and Chief Financial Officer (CFO) sign a Statement of Affidavit each quarter that confirms the accuracy of our financial statements as reported in the NCUA 5300 Call Report. The President/CEO and CFO voluntarily sign this statement to demonstrate their commitment to the financial soundness of GTE Financial and their dedication to providing accurate information to members.
