1. The Annual Percentage Rates (APR) stated is an estimate and is intended for informational use only. Your actual APR may vary based on your actual loan amount. Sample payment reflected does not include property taxes or property insurance, payment obligation may be greater. Please speak with a Loan Executive for additional information about our rates and fees. Rates are subject to change without notice. Your actual rate and/or points may be different, as many factors are evaluated for a loan approval. This product is subject to change or cancellation at any time without prior notice.
2. Rate will be based on payment method, creditworthiness, loan terms and collateral. Rates, terms and conditions are subject to change. All loans are subject to approval. New Auto is defined as current model year or previous model year with less than 10,000 miles. Used Auto is defined as being older than 2 model years or over 10,000 miles.
3. For non-IRA and Jumbo share certificates the Annual Percentage Yield (APY) is accurate as of 5/30/23. The annual percentage yield assumes dividends remain in the account until maturity and any withdrawals will reduce earnings. You may not add any additional money to your certificate after opening. Dividends compound monthly and are paid every thirty (30) days beginning on the 30th day after share certificate is opened and, at maturity. While there are no penalties for monthly dividend withdrawals a penalty may be imposed for early withdrawal which could reduce the earnings on the account and/or reduce the principal. If dividends are insufficient to cover any applicable penalties, there is the possibility of a principal reduction. You are not locked into a rate until you open or renew your certificate. Once the certificate term expires, the certificate will renew 7 calendar days after the maturity date. No withdrawals may be made on a GTE Financial Share Certificate in the first 60 days of account opening.
4. Rate will be based on your creditworthiness. Annual Percentage Rate as of 5/22/23. Annual percentage rates, terms, and conditions subject to change. All loans are subject to approval. Please review our [Credit Card \(Regulation Z\) Disclosure](#) for terms and conditions or our [Credit Card Agreement](#) for full details.
5. Credit file monitoring from Experian and TransUnion will take several days to begin following activation.
6. Registration/Activation required.
