- 1. Notice of the Use of Fedwire:** If you send or receive a wire transfer, Fedwire may be used. Regulation J is the law covering all Fedwire transactions.
- 2. Security Procedures:** The Credit Union may use the telephone numbers and email addresses that reside on our system to contact you regarding this wire transfer request. Wire transfer requests may include an authentication/verification via DocuSign email, ID Verification software (mobile devices required), and/or callback from GTE Federal Credit Union DBA GTE Financial to contact information already on record to the account owner requesting this wire transfer before processing. You agree to the authentication/verification via the above methods to continue processing the wire transfer request. If the authentication/verification cannot be successfully completed using contact information already on record for any reason, the Credit Union may cancel this wire transfer request without liability.
- 3. Notice Regarding Identification of Beneficiary:** If you give GTE Financial a wire request which identifies the beneficiary (recipient of the funds) by both name and identifying account number, payment may be made by the beneficiary’s bank on the basis of the identifying account number, even if the number identifies a person different than the named beneficiary. This means that you will be responsible for any loss or mis-distribution of funds if the funds transfer is completed on the basis of the identification number you provided them.
- 4. Notice Regarding Identification of Banks:** If you give GTE Financial a wire request which identifies an intermediary or beneficiary’s bank by both name and an identifying number, a receiving bank may rely on the number as the proper identification even if it identifies a different entity than the named bank. This means that you are responsible for any loss or expenses incurred by a receiving bank that executes or attempts to execute the wire request in reliance on the identifying number you provided.
- 5. Notice of Receipt:** If GTE received a funds transfer for you or for other persons authorized to have access to your account, you agree that GTE is not obligated to provide you with next-day notice of the receipt of the funds transfer. GTE will provide you with the notification of the receipt of all funds transfers by including such items in the periodic account statements that is provided. You may inquire between receipts of periodic statements whether a specific funds transfer has been received.
- 6. Payment of Interest:** If GTE becomes obligated under Article 4A to pay interest to you, you agree that the rate of interest to be paid shall be equal to the dividend rate, on a daily basis, applicable to the account at GTE to which the funds transfer should have been made or from which the funds transfer was made.
- 7. Timeframe for Transmittal of Funds:** Wire transfer payments processed through the Federal Reserve Fedwire system are processed on federal business days, Monday through Friday from 9:00am until 4:15pm ET. Outgoing wire transfer requests are accepted until 3:00pm ET. International wire transfer payment orders processed through Catalyst Corporate TranZact system are sent on federal business days, Monday through Friday from 9:00am until 4:00pm ET. It may take up to 24-hours to process a wire transfer once the Wire Department receives the wire transfer request including valid, legible photo ID. This wire transfer may be delayed or canceled if you do not have sufficient funds available in your account for this request or any other requirement is not met.
- 8. Limitation on Damages:** You agree that GTE Financial’s liability in connection with your wire requests shall be limited to direct damages which are the result of its failure to exercise ordinary care or its willful misconduct. To the maximum extent permitted by law, GTE shall not be liable for events or circumstances beyond their reasonable control or for indirect, special or consequential damages, even if GTE is advised as to the possibility of such damages. You agree to hold GTE harmless if the funds are not received and credited due to incorrect or incomplete instructions or information. Once wire funds leave the United States, there is no guarantee of funds and research cannot begin for ten (10) business days. GTE is not liable for any fees or service charges, including conversion to/from US Dollars, by any institution or individual via which funds are routed.
- 9. Recurring Wires:** If this request is for a recurring wire, you authorize GTE Financial to process any subsequent wire transfer requests without requiring an additional Wire Transfer Request form to be submitted. Recurring wire transfer requests will follow the exact wire request instructions recorded on this form. For recurring wire transfers, only the payment amount may be changed.
