Swipe It Forward Make a Difference

Over the past few years, we have donated millions of dollars to local charities; none of which would be possible without our awesome members! That's why we have introduced "Swipe it Forward" - a way to celebrate the fact that each time you swipe a GTE Financial debit or credit card, you're giving back in a BIG way!

Just think, that daily coffee run you make is helping keep hundreds of children safe in after school programs at a Boys and Girls Club. Your Uber Eats order helps provide a Southeastern Guide Dog to a recipient whose new companion also means freedom. Every time you swipe, no matter where, you're helping local charities.

APR based on payment method, creditworthiness, loan terms and collateral. Rates, terms and conditions are subject to change. Used Auto is defined as being older than 2 model years or over 10,000 miles. 2.74% APR limited to 48 month term for new autos and 2.74% APR limited to 48 month term used autos. Low as rate includes .25% discount for ACH payments and .25% discount paid for with Go Points. Auto rate does not apply to vehicles older than 8 model years.
