5 Reasons to Add GAP Coverage on Your Vehicle

If your new vehicle is in an accident and totaled, standard insurance will only pay for the value of the car at the time of the incident. That means you are responsible for paying the difference between the vehicle's current value and the amount of your loan.

This is where GTE's Guaranteed Asset Protection (GAP) coverage can help protect your pockets!

Here are 5 reasons you should add GAP coverage to your vehicle.

- Low-cost protection for only \$499 - on both purchases and refinances with a 60-day refundable "free look" period
- You can finance the \$499 with your GTE auto loan, so it equates to a very small monthly payment
- Protection for the term of your loan/lease up to 84 months
- You can add GAP to your GTE auto loan at any time via cash, debit or credit card
- You'll receive Auto Advantage*

Swipe It Forward

Make a Difference

Over the past few years, we have donated millions of dollars to local charities; none of which would be possible without our awesome members! That's why we have introduced "Swipe it Forward" - a way to celebrate the fact that each time you swipe a GTE Financial debit or credit card, you're giving back in a BIG way!

Just think, that daily coffee run you make is helping keep hundreds of children safe in after school programs at a Boys and Girls Club. Your Uber Eats order helps provide a Southeastern Guide Dog to a recipient whose new companion also means freedom. Every time you swipe, no matter where, you're helping local charities.
