*An example APR for a 5/5 Year ARM loan is 3.125%. An example monthly mortgage payment is \$428. The example quotes are based on a property value of \$200,000 and a loan amount of \$100,000 for 1st mortgage options and a \$10,000 2nd mortgage. The Annual Percentage Rates (APR) stated is an estimate and is intended for informational use only. Your actual APR may vary based on your actual loan amount. Please visit the Loan Consultant for additional information about our rates and fees. Rates are subject to change without notice. Your actual rate and/or points may be different, as many factors are evaluated for a loan approval.
